(Yeah, yeah, yeah, yeah)

Miami

South Beach, bringing the heat

Can you all feel that

Can you all feel that

Jig it out

Here I am in the place where I come let go

In Miami the base and the sunset low

Everyday like a mardi gras everybody party all day

No work all play okay

So we sip a little something lay the rest the spill

Me and Charlie at the bar running up a high bill

Nothing less than I'll when we dress to kill

Everytime the ladies pass, they be like (hi Will)

Can you all feel me, all ages and races

Real sweet faces, every different nation

Spanish, Haitian, Indian, Jamaican

Black, White, Cuban, and Asian

I only came for two days of playing

But every time I come I always wind up staying

This the type of town I could spend a few days in

Miami the city that keeps the roof blazing

Party in the city where the heat is on

All night on the beach till the break of dawn

Welcome to Miami (bienvenido a Miami)

Bouncing in the club where the heat is on

All night on the beach till the break of dawn

I'm going to Miami (welcome to Miami)

(Yo) I heard the rainstorms ain't nothing to mess with

It's a trip, ladies half-dressed, fully equipped				
And they be screaming out (Will we loved your last hit)

In this south-sea meringue melting pot				
Hottest club in the city and it's right on the beach

Five hundred degrees in the (1) seas				
With the hot mommies screaming (ay, papi)

In the drop Bentley, ain't no stopping me				
So, cash in (2) dough and (3) to this fashion show				
Pound for pound anywhere you go
