

Fill in the gaps

I talked to my sister in Memphis	I know that you've (17) (18) changin'
And I told her you were movin' to town	And I know there's no changin' your mind
Here's her number	And yes I know
She (1) she'd be glad to (2) you around	We've been through this a (19) times
I left a map on your front seat	And I'm sorry for (20) holdin' on
Just in case you (3) your way	I'll try to let go and I'll try to be strong
But don't worry, once you reach Saddlesong	And I wish you the best
It's all interstate	And I wish you nothing less
I (4) you need to go	Than every thing you've ever (21) of
But before you do I want you to know	And I hope that you find love along the way
That I wish you the best	But (22) of all
And I wish you (5) less	I wish you'd stay
Than every (6) you've ever (7)	Yes, everything you've ever (23) of
of	And I (24) (25) you'll fin
And I (8) that you (9) (10)	(26) along the way
(11) the way	But (27) of all
But (12) of all	I wish you'd stay
I (13) you'd stay	Yeah, I wish you'd stay
I figure (14) (15) sundown	
You'll be in West Tennessee	
And by then	
Maybe I'll (16) why you had to leave
