

## Fill in the gaps

## Where Is The Love? by Black Eyed Peas

What's wrong with the world mama?	The truth is kept secret
People (1) like (2) got no mamas	Swept under the rug
I think the whole worlds addicted to the drama	If you never know (14)
Only attracted to the things that bring you trauma	Then you never know love
Overseas yeah we tryin to stop terrorism	Where's the love y'all?(I don't know)
But we still got (3) here livin	Where's the truth y'all?(I don't know)
In the USA the big CIA the Bloodz and the Crips and the KKK	Where's the love y'all?
But if you only have (4) for (5) own race	People killing people (15)
Then you only leave space to discriminate	Children hurtin you (16) them crying
And to discriminate only generates hate	Can practice (17) you preach
And if you hatin you're bound to get irate	Would you turn the other cheek?
Yeah madness is what you demonstrate	Father father (18) us
And that's exactly how anger works and operates	Send some guidance (19) above
You gotta have love just to set it straight	Cause (20) got me got me questioning
Take control of your mind and meditate	Where is the love?(where is the lovex3)(the lovex2)
Let your soul gravitate to the love y'all	I (21) the weight of the world on my shoulder
People killing people dying	As I'm getting older y'all people get colder
Children hurtin you hear them (6)	Most of us only care about money makin
Can you practice what you preach	Selfishness got us followin the wrong direction
Would you turn the other cheek?	Wrong information always shown by the media
Father Father help us	Negative images is the main criteria
Send some guidance from above	Infecting their young minds faster than bacteria
Cause people got me got me questioning	Kids wanna act like (22) the see in the cinema
Where is the love?(where is the lovex3)(the love2x)	Whatever happened to the values of humanity
It (7) ain't the same all ways have changed	Whatever happened to the (23) and
New (8) are strange is the (9) the	equality
insane?	Instead of spreading love, we're spreading anomosity
If love and peace so strong	Lack of understanding, leading us away from unity
Why are there pieces of (10) that don't belong	That's the reason why sometimes I'm feeling under
Nations dropping bombs	That's the reason why sometimes I'm feeling down
Chemical gases filling lungs of little ones	It's no wonder why sometimes I'm feeling under
With ongoing suffering	I gotta keep my faith alive, (24) love is found
As the youth die young	People (25) people (26)
So ask yourself is the (11) really strong?	Children hurtin you hear them crying
So I can ask myself really what is going wrong	Can you practice what you preach
With this world (12) we living in	Would you (27) the other cheek?
People keep on giving in	Father Father help us
Makin (13) decisions	Send some guidance (28) above
Only visions of them livin and	Cause people got me got me questioning
Not respecting each other	Where is the love?(fade)
Deny thy brother	
The wars' going on but the reasons' undercover
