Fill in the gaps

The World Moves On (Studio) by Jens Lekman

(And this song is called)
(The world (1) on)
The thermometer ran out of numbers
When it reached 50 degrees
I just lay down on the floor
With a bag of frozen peas
We saw plumes of smoke rising
In the distance from our balcony
I poured a glass of wine
Sucked the juice out of a kiwi
Catherine (2) on the TV
They showed acres after acres
Of absolutely nothing
And then Stevie called and said
Are you watching what I'm watching?
I said I'm watching what you're watching
But what is it I'm watching?
The night before I had been bored
And my legs had been restless
It was my birthday
I'd already opened up my presents
At the social club, I met some friends
Who were friends with this girl
One by one they dropped off
Till it was just me and her
We (3) out in every bar in town
While the state of Victoria
Burned down to the ground

And the sun rose over the city

The wind swept through the valley

And you don't get over a broken heart

You just learn to carry it gracefully

The Edinburgh Gardens offered

Some kind of shade

I would pick up some beers

And head down there late

Watch the possums and listen

To their Growling banter

There was one I liked especially

I named her Sam as in Samantha

I offered a slice of apple from my hand

She would sniff it, frown

And then (4)	back to the trash can
I was (5)	uphill on my Malvern Star
When I was passed by	a scooter
You got a dollar or a ci	igarette?

Hey, I'm (6)_____ to you, poofter

What I should have said was nothing

What I said was "get lost"

Next time I'm upside-down with my bike in the dust

Spitting dirt all the way home

Cursing the very ground that I was chewing on

And the sun (7)_____ over the city

The wind swept through the valley

And you don't get over a broken heart

You just learn to carry it gracefully

And that's what it's like

When you've had your heart broken

The (8)_____ just shrugs its shoulders

Fill in the gaps

And gets going

It just moves on in all its sadness and glory		
Over dinner (9) a friend		
I tell her my story		
And as I finally put the book		
Back on the shelf		
She says		
Maybe it's time you take a look at yourself		
No one's born an ******		
It takes a lot of hard work		
But God knows I've worked my ass off		
To be a jerk		
So many hands I've held		
While wondering why I felt nothing		
And why, when I let go of that hand		
I always start to feel something		
And like a (10) smashed against my head		
And like a (10) smashed against my head She'd say		
She'd say		
She'd say I wish you just would've cheated on me instead		
She'd say I wish you just would've cheated on me instead And loving without loving		
She'd say I wish you just would've cheated on me instead And loving without loving Is always the worst crime		
She'd say I wish you just would've cheated on me instead And loving without loving Is always the worst crime I know all the signs and signals		
She'd say I wish you just would've cheated on me instead And loving without loving Is always the worst crime I know all the signs and signals 'Cause now I've been on both sides		
She'd say I wish you just would've cheated on me instead And loving without loving Is always the worst crime I know all the signs and signals 'Cause now I've been on both sides The way you choose your words		
She'd say I wish you just would've cheated on me instead And loving without loving Is always the worst crime I know all the signs and signals 'Cause now I've been on both sides The way you choose your words The limpness of your hand		
She'd say I wish you just would've cheated on me instead And loving without loving Is always the worst crime I know all the signs and signals 'Cause now I've been on both sides The way you choose your words The limpness of your hand I almost died when you introduced me as a friend		

But I never said any of that

Fill in the gaps

And looked down at the doormat

The sun rose over the city

The wind swept through the valley

And you don't get over a broken heart

You just learn to carry it gracefully
