

I'm made of metal

Fill in the gaps

Jp here in space	My circuits gleam
'm (1) down on you	I am perpetual
My lasers trace	I keep the country clean
Everything you do	I'm elected electric spy
You (2) you've private lives	I'm protected electric eye
Think nothing of the kind	Electric eye, in the sky
There is no true escape	Feel my stare, always there
'm watching all the time	There's nothing you can do about it
'm made of metal	Develop and expose
My circuits gleam	I (4) upon your every thought
am perpetual	And so my power grows
keep the country clean	I'm made of metal
'm elected electric spy	My circuits gleam
'm protected electric eye	I am perpetual
Always in focus	I (5) the country clean
You can't feel my stare	I'm (6) electric spy
zoom into you	I'm protected (7) eye
You don't know I'm there	I'm elected electric spy
take a pride in probing all your (3) moves	I'm elected protective (8) electric eye
My tearless retina takes pictures that can prove
