

Fill in the gaps

| I was ridin' shotgun (1) my (2) undone | Sneakin' out late, tappin' on your window |
|--|--|
| In the front seat of his car | When we're on the phone and you (13) |
| He's got a one-hand (3) on the | (14) slow |
| (4) wheel | 'Cause it's late and your (15) don't know |
| The other on my heart | Our song is the way you laugh |
| I look around | The first date |
| Turn the (5) down | Man, I didn't (16) her, and I (17) |
| He says | have |
| "Baby, is somethin' wrong?" | And (18) I got home 'fore I said "Amen" |
| I say | Asking God if he could play it again |
| "Nothing, I was (6) thinking" | |
| "How we don't have a song" | I've heard (19) album |
| And he says | Listened to the radio |
| Our song is the slammin' screen door | Waited for (20) to come along |
| Sneakin' out late, tappin' on your window | That was as good as our song |
| When we're on the phone and you talk real slow | 'Cause our song is the slammin' screen door |
| 'Cause it's late and your (7) don't know | Sneakin' out late, tappin' on his window |
| Our song is the way you laugh | When we're on the phone and he talks real slow |
| The first date | 'Cause it's (21) and his (22) don't know |
| Man, I didn't (8) her, and I should have | Our song is the way he laughs |
| And when I got home 'fore I (9) "Amen" | The first date |
| Asking God if he could play it again | Man, I didn't kiss him, and I should have |
| I was walking up the front porch steps | And (23) I got home 'fore I (24) "Amen" |
| After everything that day | Asking God if he could play it again |
| Had (10) all wrong or been | Play it again |
| (11) on | (Oh yeah) |
| And lost and thrown away | I was ridin' shotgun with my (25) undone |
| Got to the hallway | In the (26) seat of his car |
| Well on my way to my lovin' bed | I grabbed a pen and an old napkin |
| I almost didn't notice all the roses | And I wrote down our song |
| And the note that said | |
| Our song is the slammin' (12) door | |
