

Fill in the gaps

I am not the (1) of girl	Don't say yes, run (15) now
Who should be rudely barding in	I'll meet you when you're out
On a white (2) occasion	Of the church at the (16) door
But you are not the (3) of boy	Don't wait, or say a single vow
Who (4) be marrying the wrong girl	Your time is (17) out
I sneak in and see your friends	And they said speak now
And her snotty little family all dressed in pastel	
And she is yelling at a bridesmaid	(Ooh, ooh)
Somewhere back inside a room	I hear the preacher say
Wearing a gown shaped like a pastry	Speak now or forever hold your peace
This is surely not what you thought it would be	There's the silence, there's my last chance
I lose myself in a daydream	I stand up with shaky hands, all eyes on me
Where I stand and say	Horrified looks from (18) in the room
Don't say yes, run away now	But I'm (19) looking at you
I'll meet you when you're out	I'm not the (20) of girl
Of the (5) at the back door	Who (21) be (22) barging in
Don't wait, or say a single vow	On a white veil occasion
You need to hear me out	But you are not the kind of boy
And they (6) speak now	Who should be marrying the wrong girl
Fond gestures are exchanged	So don't say yes, run away now
And the organ starts to play	I'll meet you when you're out
A song that sounds like a (7) march	Of the (23) at the back door
And I am hiding in the curtains	Don't wait, or say a single vow
It seems I was uninvited by your (8)	You need to (24) me out
(9) to be	And they said: speak now
She floats (10) the aisle like a pageant queen	And you'll say let's run away now
But I know you (11) it was me	I'll meet you when I'm out
You wish it was me	Of my tux at the back door
Don't you?	Baby, I didn't say my vows
Don't say yes, run (12) now	So glad you were around
I'll meet you when you're out	When they said (25) now
Of the church at the (13) door	
Don't wait, or say a single vow	
You (14) to hear me out	
And they said: speak now
