Change by Taylor Swift

And (1)_____ a sad picture
The (2)_____ blow hits you
Somebody else gets what you (3)_____ again and
You know (4)_____ all the same
Another time and place
Repeating history and you're getting sick of it
But I believe in whatever you do
And I'll do anything to see it through
Because these things will change
Can you feel it now?
These walls that they put up
To hold us back will fall down
This revolution, the time will come
For us to finally win
We sing hallelujah
We sing hallelujah...
So we've (5)_____ outnumbered
Raided and now cornered
It's hard to fight when the fight ain't fair
We're getting stronger now
Find things they never found
They might be bigger
But we're faster and never scared
You can walk away, say we don't need this
But there's something in your eyes
Says we can beat this

Because these things will change
Can you feel it now?
These walls that they put up
To hold us back will fall down
This revolution, the time will come
For us to finally win
We sing hallelujah
We sing hallelujah...
Tonight we stand
Get off our knees
Fight for what we've worked for all these years
And the (6)_____ was long
It's the fight of our lives
But we'll stand up champions tonight
It was the night things changed
Do you see it now?
These (7)_____ that they put up
To hold us back fell down
It's a revolution
Throw your hands up
'Cause we (8)_____ (9)_____ in
And we sing hallelujah
We sang hallelujah
Hallelujah
