Change by Taylor Swift

And it's a sad picture
The final blow hits you
Somebody else gets what you wanted again and
You know it's all the same
Another time and place
Repeating history and (1)_____ getting
(2)_____ of it
But I believe in whatever you do
And (3)_____ do (4)_____ to see it
through
Because these things will change
Can you feel it now?
These walls that they put up
To hold us back will fall down
This revolution, the time will come
For us to (5)_____ win
We sing hallelujah
We sing hallelujah...
So we've been outnumbered
Raided and now cornered
It's hard to fight when the fight ain't fair
We're getting stronger now
Find things they never found
They might be bigger
But we're faster and never scared
You can (6)_____ away, say we don't need this
But there's something in your eyes
Says we can beat this

Because these things will change
Can you feel it now?
These walls that (7)_____ put up
To (8)_____ us back will fall down
This revolution, the time will come
For us to finally win
We sing hallelujah
We sing hallelujah...
Tonight we stand
Get off our knees
Fight for what (9)_____ worked for all these years
And the battle was long
It's the fight of our lives
But we'll stand up champions tonight
It was the night things changed
Do you see it now?
These walls that they put up
To hold us back fell down
It's a revolution
Throw your hands up
'Cause we (10)_____ gave in
And we sing hallelujah
We sang hallelujah
Hallelujah
