

Fill in the gaps

You and I walk a fragile line	Something's gone terribly wrong
I (1) it all (3) time	You're all I wanted
But, I never (4) I'd (5) to see it	Come on, come on
break	Don't leave me (19) this
It's getting dark and its all too quiet	I thought I had you figured out
And I can't trust anything now	Can't breathe whenever you're gone
And it's coming over you like it's all a big mistake	Can't turn (20) now
(Oh oh) holding my breath	I'm haunted
Won't lose you again	I know, I know
Something's (6) (7) eyes go cold	l (21) know
Come on, come on	You're not gone
Don't leave me like this	You can't be gone
I thought I had you figured out	No
Something's gone terribly wrong	Come on, come on
You're all I wanted	Don't leave me like this
Come on, come on	I thought I had you figured out
Don't (8) me like this	Something's (22) terribly wrong
I (9) I had you (10) out	Won't finish what you started
Can't breathe (11) you're gone	Come on, come on
Can't turn back now	Don't leave me (23) this
I'm haunted	I (24) I had you figured out
Stood there and watch you walk away	Can't (25) whenever you're gone
From (12) we had	Can't go back
But, I still (13) (14) [15] I	I'm haunted
said to you	
He will try to take away my pain	You and I (26) a fragile line
And he just might make me smile	I have known it all this time
But, the whole time I'm wishing he was you instead	But I never (27) I'd see it break
(Oh oh) (16) my breath	Never (28) I'd see it
Won't see you again	
Something keeps me holding onto nothing	
Come on, come on	
Don't (17) me (18) this	
I thought I had you figured out
