Yeah,Uh Huh,LaRaRaRaLa		Too many	(9)	committed	too many games
Sorry Sorry Sorry		She feeling like a fool getting on the last train			
Hey baby, my nose is getting big		Trying to maintain but the feeling won't change			
I (1) it be (2)	when I	I'm sorry for the things that I've done and what I			
been telling		became			
them fibs		Caught up in living my life in the fast lane			
Now you say (3) trust's getting weaker		Blinded by lights, cameras, you know the fame			
Probably cuz my lies just started getting deeper		I don't know the reason why I did these things			
And the reason for my (4)	is that I	And I lie and I lie and I lie and I lie			
learned		And now ya emotions are drained			
my lesson	When I lie and I lie and a little lie lie				
And I really think you (5) know the trut	h	And now ya emotions are drained			
Because I lied and I cheated and I lied a little more	[Chorus x2]				
But after I did it I don't know what I did it for	Yo, I'm lying to my girl even though I love her				
I admit that I have been a little immature	And she all in my world				
Fucking with your heart like I was the predator	I give her all my attention and diamonds & pearls				
In my book of lies I was the editor and the author		She's the one who makes me feel on top of the world			
I forged my signature	Still I'm lyin' to my girl, I do it				
And now I apologize for what I did to you	And I lie and I lie and I lie till there's no turning back				
Cuz what you did to me I did to you		I don't know why, and I lie and I lie till I don't know			
[Chorus]		who I am			
Nononono baby, nononono don't lie	And then I tell myself				
Nononono, yeah you know know know know you	Nononono baby, nononono don't lie				
gotta try	Nononono, yeah you know know know know you				
What you gonna do when it all comes out	gotta try				
When I see you & what you're all about		What you gonna do when it all comes out			
Nononono baby, nononono don't lie		When I see you & what you're all about			
Because you know you know you know you know		Nononono baby, nononono don't lie			
you know you gotta try		Nononono baby, nononono			
She said I'm leaving		Stop, st-sto	p st-stop (10	0)	stop lying.
