## Don't Lie by Black Eyed Peas

## Fill in the gaps

Yeah,Uh Huh,LaRaRaRaLa	Too many lies committed too many games
Sorry Sorry Sorry	She feeling like a fool getting on the last train
Hey baby, my nose is getting big	Trying to maintain but the feeling won't change
noticed it be growing when I been telling	I'm sorry for the things that I've done and what I
them fibs	became
Now you say your trust's getting weaker	Caught up in living my life in the fast lane
Probably cuz my lies just (1) getting deeper	Blinded by lights, cameras, you know the fame
And the reason for my confession is (2) I learned	I don't (7) the reason why I did these things
my lesson	And I lie and I lie and I lie
And I (3) think you oughta know the truth	And now ya emotions are drained
Because I lied and I cheated and I lied a little more	When I lie and I lie and a little lie lie
But after I did it I don't know what I did it for	And now ya emotions are drained
admit that I have been a little immature	[Chorus x2]
Fucking with your heart like I was the predator	Yo, I'm lying to my girl even though I love her
n my book of lies I was the (4) and the author	And she all in my world
forged my signature	I (8) her all my attention and diamonds & pearls
And now I apologize for what I did to you	She's the one who (9) me feel on top of the
Cuz (5) you did to me I did to you	world
Chorus]	Still I'm lyin' to my girl, I do it
Nononono baby, (6) don't lie	And I lie and I lie and I lie (10) there's no turning
Nononono, yeah you know know know you	back
gotta try	I don't know why, and I lie and I lie till I don't know
What you gonna do when it all comes out	who I am
When I see you & what you're all about	And then I tell myself
Nononono baby, nononono don't lie	Nononono baby, nononono don't lie
Because you know you know you know	Nononono, yeah you know know know know you
you know you gotta try	gotta try
She said I'm leaving	What you gonna do when it all comes out
She can't take the pain	When I see you & what you're all about
t's hard to continue this love, it ain't the same	Nononono baby, nononono don't lie
Can't forget the things that I've done inside her	Nononono baby, nononono
orain	Stop, st-stop st-stop stop lying.
