But when the sun comes out we're still alcys	How much sound from the brass to the air
We don't wanna be lowsy, or shameless	Will it take to put your brass in the air (pardon me there)
But we're running round like we're brainless	Just don't pretend that
Now I've got grass stains on my brand new white trainers	If I wasn't older you wouldn't wanna dance with me, yeah
On my brand new white trainers	You're the last of my fears
(Um)	I was top boy of the class in my year

They're as compelling as neighbours so laters	And I could have been the headmaster so yeah
These blayers, we've got our own style, you know now	Got vibes and charisma, (6) and rizla
So go wild and get hosed down, no, no, no	Baccy and filter, shine for me mister
Yeah, yeah, let's get down with the trumpets	I want the sun to (shine)
Yeah, yeah, let's get down with the trumpets	Till I'm (7) at a bright blue (sky)
Yeah, yeah, let's get down with the trumpets	Yes, and we drop it like anvils
Yeah, yeah, let's get (1) with the trumpets	Bring your whole crew to a stand still
What, let's get down with the, down with the	Still, (8) us on at clubs and I
What, let's get down with the, down with the	Guarantee that nobody would (9) still
What, let's get down with the, down with the	Yeah, yeah, let's get down with the trumpets
Yeah, yeah, let's get down with the trumpets	Yeah, yeah, let's get down with the trumpets
