Think You Might Like It by John Travolta & Olivia Newton-John

Here comes my home town	No stopping Aunt Louise
So good to get my wheels down	Tickling the ivories
I'm coming home tonight	I'm coming home tonight
Here comes that magical spell of Christmas Eve	Whole town gonna be there
There's nothing you can do	It will be a squeeze
But wear your hear upon your sleeve	You'd better put your sleigh
My mind is going	In a holding pattern Santa please
A little crazy knowing	I'm coming home
You're coming (1) tonight	l've (6) a little plan for you
I can't help smiling at strangers on my street	I (7) you might like it
I'm singing to myself	Let's do the little dance we do
And (2) over my own feet	I think you might like it
I'm coming home	And then we're gonna hide away
I've gotta a little plan for you	Making love all night
I think you might like it	And we can cry tomorrow
Let's do the little dance we do	Watching "It's a Wonderful Life"
I think you might like it	l've gotta a little plan for you
And then we're gonna hide away	I like it
Making love all night	Let's do the little dance we do
And we can cry tomorrow	(Mmmm) I like it
Watching "It's a (3) Life"	And then (8) gonna hide away
(Oooh)	Making love all night
Think you might like it	And we can cry tomorrow
Oh baby I can't lie	Watching "It's a Wonderful Life"
So many gonna call by	Let's do the little dance we do
You're coming home tonight	I think you might (9) it
Your momma sings sweetly	And I like it
Do you hear what I hear	
But in a (4) while	
She'll be swinging (5) the chandelier
