## Think You Might Like It by John Travolta & Olivia Newton-John

Here (1) my home town	No stopping (11) Louise
So good to get my wheels down	Tickling the ivories
'm coming home tonight	I'm coming (12) tonight
Here comes that (2) spell of Christmas Eve	Whole town gonna be there
There's nothing you can do	It will be a squeeze
But (3) your hear upon your sleeve	You'd better put your sleigh
My mind is going	In a holding pattern Santa please
A little (4) knowing	I'm coming home
You're coming (5) tonight	l've (13) a little plan for you
can't help smiling at (6) on my street	I think you might like it
'm singing to myself	Let's do the little (14) we do
And tripping (7) my own feet	I think you might like it
'm coming home	And then we're (15) hide away
've gotta a little (8) for you	Making love all night
think you might like it	And we can cry tomorrow
_et's do the little dance we do	Watching "It's a Wonderful Life"
think you might like it	l've gotta a little plan for you
And then we're gonna hide away	I like it
Making love all night	Let's do the little (16) we do
And we can cry tomorrow	(Mmmm) I (17) it
Natching "It's a Wonderful Life"	And (18) (19) gonna hide away
(Oooh)	Making love all night
Think you might like it	And we can cry tomorrow
Oh baby I (9) lie	Watching "It's a Wonderful Life"
So many gonna call by	Let's do the little (20) we do
You're coming home tonight	I think you (21) like it
Your momma sings sweetly	And I like it
Do you hear what I hear	
But in a little while
