

Fill in the gaps

It's been a long way	I feel so low when you're away
I (1) hard not to fall apart	So reach out, (15) not far
Every night I pray	Listen to me pray
And (2) voice is singing in my heart	Destiny
I (3) been waiting	I've (16) looking for something to guide me
A (4) (5) for you to (6) my	Destiny
hand	Even though I tried I can't deny you
Loving and hating	If I let you go (let you go)
A desire (7) I don't understand	I betray my soul (my soul)
I can't breath, I can't sleep	I (17) that this is (18) more
Why can't I get through to you?	Even though (even though), nothing's spoken for (spoken for)
I can't think, I can't speak	A way that you (19) (20) the same
What am I to do?	'bout mee ooohhh
Destiny	If I let you go (let you go)
I've been (8) for something to guide me	I betray my (21) (my soul)
Destiny	I know this is something more
Even (9) I've tried I can't deny you	Even though, (even though) (22) spoken
If I let you go, I'd betray my soul	for (spoken for)
I know (10) (11) is something more	I pray (23) you will (24) the same 'bout
Even (12) nothing's (13) for,	me
a way that you will feel the same (14) me	Destiny
Destiny	Faith is within me
Intrumental	Destiny
Read the stars and see my scars
