

Fill in the gaps

It's been a long way	I feel so low when you're away
I tried hard not to (1) apart	So reach out, it's not far
Every night I pray	Listen to me pray
And your voice is singing in my heart	Destiny
I (2) been waiting	I've been looking for something to (6) me
A long time for you to (3) my hand	Destiny
Loving and hating	Even though I tried I can't deny you
A desire that I don't understand	If I let you go (let you go)
I can't breath, I can't sleep	I (7) my soul (my soul)
Why can't I get through to you?	I know that this is something more
I can't think, I can't speak	Even (8) (even though), nothing's spoken for
What am I to do?	(spoken for)
Destiny	A way that you will feel the same
I've (4) (5) for something to	'bout mee ooohhh
guide me	If I let you go (let you go)
Destiny	I betray my soul (my soul)
Even though I've tried I can't deny you	I know (9) is something more
If I let you go, I'd betray my soul	Even though, (even though) nothing (10) for
I know that this is something more	(spoken for)
Even though nothing's spoken for,	I pray that you will feel the same 'bout me
a way that you will feel the same 'bout me	Destiny
Destiny	Faith is within me
Intrumental	Destiny
