

## Fill in the gaps

Last Christmas I gave you my heart	(Oh, oh Baby)
But the very next day you gave it away	A crowded room, friends with tired eyes
This year, to save me (1) tears	I'm hiding from you and your soul of ice
I'll give it to (2) special	My God I thought you were someone to rely on
Last Christmas I gave you my heart	Me? I guess I was a shoulder to cry on
But the very (3) day you gave it away	A face on a lover with a fire in his heart
This year, to save me from tears	A man undercover but you tore me apart
I'll give it to someone special (special)	(Oh, oh)
Once (4) and (5) shy	Now I've found a real love, you'll never (8) me
I keep my distance but you (6) catch my eye	again
Tell me baby, do you recognise me?	Last Christmas I gave you my heart
Well it's been a year, it doesn't surprise me	But the very next day you gave it away
I wrapped it up and sent it	This year, to save me from tears
With a note saying "I love you" I meant it	I'll give it to someone special (special)
Now I know what a fool I've been	Last Christmas I gave you my heart
But if you kissed me now I know you'd fool me again	But the very next day you gave it away
Last Christmas I gave you my heart	This year, to save me (9) tears
But the very next day you gave it away	I'll give it to someone special (special)
This year, to save me from tears	A face on a lover with a fire in his heart
I'll give it to (7) special (special)	A man undercover but you tore me apart
Last Christmas I gave you my heart	I'll give it to someone
But the very next day you gave it away	I'll give it to someone (10) (special)
This year, to save me from tears	
I'll give it to someone special (special)
