

Fill in the gaps

	Back and (13) like (14)
So, presently I'm standing	Hopkins
Here right now, you're so demanding	If anybody speak to Scotty
Tell me (1) you (2) (3) me	Tell him, beam me up
Concluding	So can I get a window seat
Concentrating on my music, lover and my babies	Don't want (15) next to me
Makes me wanna ask the lady for a ticket out of town	I (16) want a ticket out of town
So can I get a window seat	A look around and a safe touch down
Don't want nobody next to me	Can I get a window seat
I just want a ticket out of town	Don't want nobody next to me
A look around and a safe touch down	See, I just (17) a chance to fly
(Can I get) a window seat	A chance to cry and a long bye-bye
Don't want nobody next to me	
I just want a chance to fly	But I, I need you to miss me
A (4) to cry and a long bye-bye	I need somebody come get me
	I see, I (18) your attention, yes
But I, I (5) you to want me	And I need your energy, yes, I do
I need you to miss me	(Oh oh oh) I, I need someone to (19) for me
I, I need your attention, yes	And I need your direction
I need you (6) to me	Somebody say, come back, hey, (20) back, baby
(Oh) I, I need (7) to clap for me	Come back, I want you to need me
I need your direction	Come back, come back, baby, come back
Somebody say, come back	
Come back, baby, (8) back	Come back, (21) back, baby, (22) back
I want you to need me	Come look for me
Come (9) (hey) come back, baby	Come back, come back, baby, (23) back
Come back, baby	So can I get a window seat
Come back, come back, baby, come back	Don't want (24) next to me
Come to me	I just (25) a ticket out of town
Come back, come back, baby, come back	A look around and a safe touch down
So, in my (10) I'm tussling	
Back and (11) (be)tween here and hustling	I (26) want a chance to fly
I don't (12) time travel no more	A chance to cry and a long bye bye
I wanna be here, I'm thinking	
See, on this porch I'm rocking
