

Fill in the gaps

Picture by Kid Rock & Sheryl Crow

Living my life in a slow hell	I wonder where you been
Different girl every night at the hotel	I can't (16) at you while I'm lying next to him
I ain't (1) the sunshine in	I saw you (17) (18) an old
Three damn days	friend
Been (2) up on () and whiskey	It was the same old same how've you been
Wish I had a good girl to miss me	Since you've been gone my world's (19) dark and
Lord I wonder if I'll ever change my ways	grey
I put (3) picture away	You reminded me of brighter days
Sat down and cried today	I hoped you (20) coming home to stay
I can't look at you while I'm lying (4) to her	I was headed to church
I put your (5) away	I was off to drink you away (drink you away)
Sat down and (6) today	I thought about you for a (21) time
I can't (7) at you while I'm (8)	Can't seem to get you off my mind
(9) to her	I can't understand why we're living life (22) way
I called you last night in the hotel	I (23) your picture today
Everyone (10) but they won't tell	I swear I'll change my ways
But their half (11) smiles tell me something	I (24) called to say I want you
Just ain't right	To come (25) home
I've been (12) on you for a long time	I found (26) picture today
Fueling up on heartaches and cheap wine	I (27) I'll change my ways
I ain't heard from you in three (13) nights	I just called to say I want you
I put your (14) away	To come back home
I (15) where you been	I just called to say I love you
I can't look at you while I'm lying next to him	Come (28) home
I put your picture away
