

Fill in the gaps

Wonderman by Tinie Tempah & Ellie Goulding

The strong, the mighty	More than the performances in twenty (20)
The forces of evil can (1) destroy	places
The powers of the Wonderman	Benidorm, Vegas, (21) more praises
And (2) the most formidable journey lies	Amen, hallelujah
ahead	Tinie look what's happened to ya
Only one will prevail	(Yeah) they love that attitude
Wonder, Wonderman	Brand new and improved
(Ah, yeah)	(Yeah) And when the fans start grabbing you
These haters couldn't get to where I am	Show gratitude with a little brag or two
With a full (3) of petrol	Amen, hallelujah
(Ah) My (4) used to (5) a can of	Tinie look (22) happened to ya who can
kestrel	say they ran
When (6) got stressful	All the obstacles I ran, look
(Ah) (7) kind of (8) should you be	I traded friends for fans
When you (9) make people to accept you	Cement for sand
(Ah) (10) (11) it really mean	Raise your hand
When you dream of being famous and successful	The Wonderman
When you were born to be special	(And) I see the bright lights shine in your face
(Ah, yeah) And I went (12) the kid in class	We're counting on you
Text (13) radio DJs so they could bring me up	To (23) it all (24) (the Wonderman)
To the young rapper everybody's ringing up	I saw the chosen one
Got them (14) for a sprinkle of that pixie	They're calling your name
dust	(The Wonderman)
Mad thoughts in my head when it's blowing up	Come on, come on
Like, are you really big enough	The stars are where you belong
I traded friends for fans	Come on, follow
Cement for sand	Your heart is gonna take you home
Raise (15) hand	Come on, come on
The Wonderman	The stars are where you belong
(And) I see the bright lights shine in (16) face	There's no turning back from here
We're counting on you	And I see the bright lights shine in your face
To take it all away (the Wonderman)	We're (25) on you
I saw the (17) one	To take it all away (the Wonderman)
They're calling your name	I saw the (26) one
The Wonderman	They're (27) your name
Bored of being nameless	The Wonderman
Bored of feeling awkward when you walk up in the mall	From this day on
And can't afford a pair of trainers	The world will never be the same
Imagine (18) it changes	
Imagine satisfaction when you make it	
It's more than being famous	
More then the applause and more than any (19) of	
status
