

## Fill in the gaps

Give me time to reason
Give me time to (1) it through
Passing through the season
Where I (2) you
I will always have a cross to wear
But the bolt reminds me I was there
So give me strength
To face this test tonight
If only I could turn back time
If only I had said what I (3) hide
If only I could turn back time
I would stay for the night
For the night
Claim your right to science
Claim your (4) to see the truth
Though my pangs of conscience
Will drill a hole in you
I seen it coming like a thief in the night
I seen it coming from the flash of your light
So give me strength
To face (5) (6) tonight
If only I could turn back time
If only I had said what I still hide

If only I (7) turn back time
I would stay
The bolt reminds me I was there
The bolt reminds me I was there
If only I could turn back time
If only I had said what I still hide
If only I could turn back time
I would stay for the night
If only I could turn back time
If only I had said what I still hide
If only I could turn (8) time
I would (9) for the night
If only I could (if only I could)
If only I could (if only I could)
If only I could turn (10) time
I would stay for the night
If only I could (if only I could)
If only I could (if only I could)
If only I could turn back time
I would stay for the night
If only I could (if only I could)
