SUB inglés

Fill in the gaps

AutoTune by Jason Chen & Bubzbeauty

	You always know how to bring me right back
I was young lost stupid	When my pitch is off
Didn't know what I was doing wrong	You make it all right when its all so wrong
Just eat sleep feeling free	You're my auto tune, you can be my auto tune
Then I'd party all night long	
But I would never get too worried	Be my auto tune
About the little things in life	
I knew I won the lottery	Baby be my (7) tune
'Cause baby can't you see	
Just thinking about you as I sing this song	Just thinking about you as I sing this song
'Cause when you're around I can do no wrong	'Cause when you're around I can do no wrong
And I'm (1) too sharp, never flat	And I'm never too sharp, never flat
Girl imagine that	Girl imagine that
You always know how to bring me right back	You always know how to bring me right back
When my pitch is off	When my pitch is off
You make it all right when its all so wrong	You make it all right when its all so wrong
You're my (2) tune, you can be my auto tune	You're my auto (8) (you can be my auto tune)
	Just thinking about you as I sing this song
Now I've found my way (3) ever since you came	'Cause when you're around I can do no wrong
along	And I'm never too sharp, never flat
As I (4) to the radio, bumping to our catchy	Girl imagine that
song	You always know how to bring me right back
You mean more than a Grammy	When my (9) is off
And all the (5) in the world	You make it all right when its all so wrong
Every time that I get off key girl	You're my auto tune
Continue to (6) me	You can be my (10) tune
Just thinking about you as I sing this song	
'Cause when you're around I can do no wrong	
And I'm never too sharp, never flat	
Girl imagine that
