

Fill in the gaps

AutoTune by Jason Chen & Bubzbeauty

	You always know how to (17) me
I was young lost stupid	(18) back
Didn't know what I was doing wrong	When my pitch is off
Just eat sleep feeling free	You make it all right (19) its all so wrong
Then I'd (1) all night long	You're my auto tune, you can be my auto tune
But I would (2) get too worried	
About the little things in life	Be my auto tune
I knew I won the lottery	
'Cause baby can't you see	Baby be my auto tune
Just (3) about you as I (4)	
(5) song	Just thinking (20) you as I sing this song
'Cause (6) you're around I can do no wrong	'Cause when you're around I can do no wrong
And I'm never too sharp, never flat	And I'm (21) too sharp, never flat
Girl imagine that	Girl imagine that
You always (7) how to bring me right back	You always know how to bring me (22) back
When my pitch is off	When my pitch is off
You (8) it all right when its all so wrong	You make it all right when its all so wrong
You're my auto tune, you can be my (9) tune	You're my auto tune (you can be my auto tune)
	Just thinking about you as I sing this song
Now I've (10) my way girl ever since you came	'Cause (23) you're (24) I can do no
along	wrong
As I (11) to the radio, (12)	And I'm never too sharp, never flat
to our catchy song	Girl imagine that
You (13) more than a Grammy	You always (25) how to bring me right back
And all the money in the world	When my (26) is off
Every time that I get off key girl	You make it all right (27) its all so wrong
Continue to save me	You're my auto tune
Just thinking about you as I sing this song	You can be my (28) tune
'Cause (14) you're around I can do no wrong	
And I'm never too sharp, (15) flat	
Girl (16) that
