

Fill in the gaps

If I never feel you in my arms again	That I shall never (14) again (breathe
If I never feel your tender kiss again	again)
If I never (1) I love you now and then	And I can't stop thinking about
Will I never make love to you (2) again	About the way my life (15) be
Please understand, if love ends	No, I can't (16) thinking about
Then I (3) you, I promise you that	How could you (17) me then leave
That I (4) never (5) again	And I can't get you out of my mind
(Breathe again, breathe again)	God knows how hard I've tried
That I shall never breathe again (breathe again)	And if you walk right out my life
And I can't stop (6) about	God knows I'd surely die
About the way things used to be	And I can't stop doing without (no, no)
And I can't stop thinking about	Without the wailing of my heart
About the love (7) you made to me	No, I can't (18) (19) without (no, no)
And I can't get you out of my head	For I would surely fall apart
How in the world will I begin	And I can't get you out of my mind
To let you walk right out my life and blow my (8)	And I know I can't deny it
away	And I would die if you decide you won't see me again
And I can't stop caring about	If I never (20) you in my arms again (if I never,
About the apple of my eye	ever)
And I can't stop (9) without	If I (21) your tender kiss again
Without the center of my life	(no, no,no)
And I can't get you out of my head	If I never hear I love you now and then (now and then)
And I know I can't pretend	Will I never make love to you once again (never
That I won't die if you decide you won't see me again	(23) love)
If I never feel you in my arms again (again)	Please understand, if love ends
If I never feel your tender kiss again (again)	Then I promise you, I promise you that
If I never (10) I (11) you now and then	That I shall never breathe again
(and then)	(breathe again, breathe again)
Will I never make love to you once again	That I shall never breathe again (breathe again)
Please understand, if (12) ends	That I (24) never breathe again
Then I promise you, I promise you that	(breathe again, breathe again)
That I shall (13) breathe again	That I shall never breathe
(Breathe again, breathe again)	Again
