I Don't Feel Like Dancin' by Scissor Sisters

Wake up in the morning	When I see you clap (4) hands
With a head (1) what you've done	If you (5) around I'm sure (6) you'll
This used to be the life	be fine
But I don't need another one	But I don't feel like dancing when the old Joanna plays
Good luck cutting nothing	My heart could take a chance
Carrying on, you wear them gowns	But my two feet can't find a way
So how come I feel so lonely when you're up getting down	You think that I could muster up
So I play along when I hear that favourite song	A little soft, shoop devil sway
I'm gonna be the one who gets it right	But I don't feel like dancing, no sir, no dancing today
You better know	Don't (7) like dancing, dancing
When you're swinging around the room	Even if I find nothing better to do
Looks like magic's solely yours tonight	Don't feel like dancing, dancing
But I don't feel like dancing when the old Joanna plays	Why'd you break down when I'm not in the mood
My heart could take a chance	Don't feel like dancing, dancing
But my two feet can't find a way	Rather be home with no one when I can't get down with you
You think that I could muster up	You can't make me dance around but
A little soft, (2) devil sway	Your two step makes my chest pound
But I don't feel like dancing, no sir, no dancing today	Just lay me down
Don't feel like dancing, dancing	As you blow it away into the shimmer light
Even if I find nothing better to do	But I don't feel like dancing when the old Joanna plays
Don't feel like dancing, dancing	My (8) could take a chance
Why'd you break down when I'm not in the mood	But my two feet can't (9) a way
Don't feel like dancing, dancing	You think that I could muster up
Rather be home with no one when I can't get down with you	A little soft, shoop devil sway
Cities come and cities go just like the old empires	But I don't (10) like dancing, no sir, no dancing
When all you do is change your clothes	today
And call that versatile	Don't feel like dancing, dancing
You got so (3) colours make a blind man so	Even if I find nothing better to do
confused	Don't feel like dancing, dancing
Then why can't I keep up	Why'd you break down when I'm not in the mood
When you're the only thing I lose	Don't feel like dancing, dancing
So I'll just pretend that I know which way to bend	Rather be home with no one when I can't get down with you
And I'm gonna tell the whole world that you're mine
