I Don't Feel Like Dancin' by Scissor Sisters

wake up in the morning	when I see you clap your hands
With a head like what you've done	If you stick around I'm sure that (5) be
This used to be the life	fine
But I don't need another one	But I don't feel like dancing when the old Joanna plays
Good luck cutting nothing	My (6) take a chance
Carrying on, you wear them gowns	But my two feet can't find a way
So how come I feel so lonely when you're up getting down	You think that I could muster up
So I play along when I hear that favourite song	A little soft, shoop devil sway
I'm gonna be the one who gets it right	But I don't feel like dancing, no sir, no dancing today
You better know	Don't feel like dancing, dancing
When you're swinging around the room	Even if I find nothing better to do
Looks like magic's solely yours tonight	Don't feel like dancing, dancing
But I don't feel like dancing when the old Joanna plays	Why'd you break down when I'm not in the mood
My (1) could take a chance	Don't feel like dancing, dancing
But my two feet can't find a way	Rather be home with no one when I can't get down with you
You think that I could muster up	You can't make me dance around but
A little soft, shoop devil sway	Your two step makes my chest pound
But I don't (2) like dancing, no sir, no dancing	Just lay me down
today	As you blow it away into the shimmer light
Don't feel like dancing, dancing	But I don't feel like dancing when the old Joanna plays
Even if I (3) nothing better to do	My heart could take a chance
Don't feel like dancing, dancing	But my two feet can't find a way
Why'd you break down when I'm not in the mood	You think that I could muster up
Don't feel like dancing, dancing	A little soft, shoop devil sway
Rather be home with no one when I can't get down with you	But I don't feel like dancing, no sir, no dancing today
Cities come and cities go just like the old empires	Don't feel (8) dancing, dancing
When all you do is change your clothes	Even if I find (9) better to do
And call that versatile	Don't feel like dancing, dancing
You got so many colours make a blind man so confused	Why'd you break down when I'm not in the mood
Then why can't I keep up	Don't feel like dancing, dancing
When (4) the only thing I lose	Rather be home with no one when I can't get down with you
So I'll just pretend that I know which way to bend	
And I'm gonna tell the whole world that you're mine
