

Fill in the gaps

With one light on	Wants to be a hunter again
In one room	I want to see the world alone again
I know you're up	To (8) a chance on life again
When I get home	So let me go
With one small step	Let me leave
Upon the stair	For the crown you've placed upon my head
I (1) your look	Feels too heavy now
When I get there	And I don't know what to say to you
If you were a king	But I'll smile anyhow
Up there on your throne	And all the time I'm thinking
Would you be (2) enough to let me go	Thinking
For this queen you (3) you own	I (9) to be a hunter again
Wants to be a hunter again	I want to see the world alone again
I want to see the world alone again	To take a chance on life again
To take a chance on life again	So let me go
So let me go	I want to be a hunter again
The unread book and (4) look	I want to see the (10) alone again
The TV's on	To take a chance on life again
The sound is down	So let me go
One long pause then you begin	Let me leave
Oh, look what the cat's brought in	Let me go
If you (5) a (6) up there on your throne	
Would you be wise enough to let me go	
For this queen you (7) you own
