Sign Your Name (Cover) by Sheryl Crow

Fortunately you	Sign your name across my neart (across my neart)
Have someone who relies on you	I want you to be my baby
We started out as friends	Birds never looked into the sun (5) the day is
But the thought of you just (1) me in	gone
The symptoms are so deep	(Oh) the light shines (6) on a peaceful day
It's much too late to turn away	A (7) blue
We started out as friends	Leaves us alone, we don't want to deal with you
Sign your name across my heart (across my heart)	We'll shed our stains
I want you to be my baby	Showering in the room that makes the rain
Sign your name across my heart (across my heart)	All (8) with you
I want you to be my baby	Makes the butterflies in me arise
Time, I'm sure, will bring	Slowly we make love
Disappointments in so many things (so (2) things)	Sign your name across my heart (across my heart)
It seems to be the way	I (9) you to be my baby
When (3) gambling cards on love you play	Sign your name across my heart (across my heart)
I'd rather be in hell	I want you to be my baby
With you, baby, than in cool Heaven	Sign your name across my heart (sign your name)
It (4) to be the way	
Sign your name across my heart (across my heart)	
I want you to be my baby
