

That leads to your ocean

## Fill in the gaps

t's over and done	You'll never see me fall apart
But the heartache lives on inside	In the words of a broken (5) it's just emotions
And who is the one you're clinging to	Taking me over (taking me over)
nstead of me tonight	Caught up in sorrow, lost in the song
And where are you now	But if you don't come back
Now that I need you	Come home to me darling
Tears on my pillow	Don't you know there's (6) left in this world
Wherever you go, go	To hold me tight (nobody left in this world)
'll cry me a river	Nobody left in this world
That leads to (1) ocean	To kiss (7) night (nobody left in this world)
You'll never see me (2) apart	Good night
n the words of a broken heart it's just emotions	And where are you now
Taking me over	Now that I need you, you
Caught up in sorrow, lost in the song	Tears on my pillow
But if you don't come back	Wherever you, you go
Come home to me darling	I'll cry me a river
Don't you know there's nobody left in this world	That leads to your ocean
To hold me tight	You'll never see me fall apart
Don't you know there's nobody left in (3) world	In the (8) of a broken heart It's (9)
To kiss goodnight (kiss good night)	emotions
Good night	Taking me over
Good night	I'm caught up in sorrow, lost in the song
'm there at your side	But if you don't come back
A part of all the things you are	Come home to me darling
But you have a part of someone else	Nobody left in this world to hold me tight
You gotta go find (4) shining star	(Nobody to hold me)
And where are you now	Nobody left in (10) world to kiss good night
Now that I need you	(Nobody to kiss me)
Tears on my pillow	Good night
Wherever you go	Good night
'll cry me a river
