### Emotion by Destiny's Child

It's over and done  
But the heartache lives on inside  
And who is the one you're clinging to  
Instead of me tonight  
And where are you now  
Now that I need you  
Tears on my pillow  
Wherever you go, go  
I'll cry me a river  
That leads to your ocean  
You'll never see me fall apart  
In the words of a broken heart it's just emotions  
Taking me over  
Caught up in sorrow, lost in the song  
But if you don't come back  
Come home to me darling  
Don't you know there's nobody (1)\_\_\_\_\_ in this world  
To hold me tight  
Don't you know there's nobody left in this world  
To (2)\_\_\_\_\_ goodnight (kiss good night)  
Good night  
Good night  
I'm there at your side  
A part of all the things you are  
But you have a part of someone else  
You gotta go find your shining star  
And (3)\_\_\_\_\_ are you now
