That Don't Impress Me Much by Shania Twain

I've known a few guys who thought they were pretty smart	That don't impress me much
But you've got being right down to an art	You're one of those guys who likes to shine his machine
You think you're a genius, you drive me up the wall	You make me (3) off my shoes before you let me
You're a regular original, a know-it-all	get in
You think you're special	I can't believe you kiss your car good night
You think you're something else	Now (4) on baby tell me
Okay, so you're a rocket scientist	You must be joking, right
That don't impress me much	You think you're something special
So you got the brain but have you got the touch	You think you're something else
Don't get me wrong, yeah, I think you're alright	Okay, so you've got a car
But that won't keep me warm in the middle of the night	That don't impress me much
That don't impress me much	So you got the moves but have you got the touch
I never knew a guy who carried a mirror in his pocket	Now, don't get me wrong, yeah, I think you're alright
And a comb up his sleeve, just in case	But that won't keep me warm in the (5) of the
And all that extra hold gel in your (1) ought to lock	night
it	That don't impress me much
'Cause Heaven forbid, it should fall out of place	You (6) you're cool but have you got the touch
You think you're special	Don't get me wrong, yeah, I think you're alright
You think you're something else	But that won't keep me warm on the long, cold,
Okay, so you're Brad Pitt	(7) night
That don't (2) me much	That don't (8) me much
So you got the looks but have you got the touch	Ok, so what do you think you're Elvis or something
Now don't get me wrong, yeah I think you're alright	Whatever
But that won't keep me warm in the middle of the night	That don't (0)
