## Glad You Came by The Wanted

So let's go somewhere no-one else can see

## Fill in the gaps

The sun goes down	You and me
The stars come out	Turn the lights out now
And all that counts	Now I'll take you by the hand
Is here and now	Hand you another drink
My (1) will (2) be the same	Drink it if you can
I'm glad you came	Can you spend a little time
You cast a spell on me, spell on me	Time is slipping away, away from us so stay
You hit me like the sky fell on me, fell on me	Stay with me I can make
And I decided you look well on me, (3) on me	Make you glad you came
So let's go somewhere no-one else can see	The sun goes down
You and me	The stars come out
Turn the (4) out now	And all that counts
Now I'll take you by the hand	Is here and now
Hand you another drink	My universe will never be the same
Drink it if you can	I'm glad you came
Can you spend a little time	I'm glad you came
Time is slipping away, away from us so stay	I'm glad you came
Stay with me I can make	So glad you came
Make you glad you came	I'm glad you came
The sun goes down	I'm glad you came
The stars come out	The sun (7) down
And all that counts	The stars (8) out
Is here and now	And all that counts
My (5) will never be the same	Is here and now
I'm glad you came	My (9) will never be the same
I'm glad you came	I'm glad you came
You cast a (6) on me, spell on me	I'm glad you came
You hit me like the sky fell on me, fell on me	
And I decided you look well on me, well on me
