Glad You Came by The Wanted

So let's go somewhere no-one else can see

Fill in the gaps

The sun goes down		You and me
The stars come out		Turn the lights out now
And all that counts		Now I'll (7) you by the hand
Is here and now		Hand you another drink
My universe will never be the same		Drink it if you can
I'm (1) you came		Can you spend a little time
You (2) a spell on me, spell on me		Time is slipping away, away from us so stay
You hit me (3) the sky fell on me, (4)	on	Stay with me I can make
me		Make you glad you came
And I decided you look well on me, well on me		The sun goes down
So let's go somewhere no-one else can see		The stars come out
You and me		And all that counts
Turn the lights out now		Is here and now
Now I'll take you by the hand		My universe will (8) be the same
