

## Fill in the gaps

### Celebrate by Mika & Pharrell Williams

Right about now it's time for everybody to stand up

Stand up

Stand up

And (1)\_\_\_\_\_ fun

'Cause we (2)\_\_\_\_\_ begun

I want the whole world to celebrate

Once I get up I (3)\_\_\_\_\_ better

Then I pull myself together

I remember those two letters

It will be okay

Everyone says now or never

I say only if it's better

Be a night like this forever

(I want the whole (4)\_\_\_\_\_ to celebrate)

I wanna come home

To the only place I know

Where the trees I (5)\_\_\_\_\_ grow

I wanna come home

Once I get up I feel better

Then I pull myself together

I remember those two letters

It will be okay

Everyone says now or never

I say only if it's better

Be a night like this forever

Will be know better

I want the whole world to celebrate

I want the whole world to celebrate

I want the whole world to celebrate

I want the whole world to celebrate

I'll be just fine

When I see you at the finish line

Doesn't matter if I take my time

I'm coming home

Once I get up I (6)\_\_\_\_\_ better

And I pull (7)\_\_\_\_\_ together

I (8)\_\_\_\_\_ (9)\_\_\_\_\_ two letters

It will be okay

Everyone says now or never

I say only if it's better

Be a night like this forever

Will be know better

I want the whole world to celebrate

I want the whole world to celebrate

I want the whole world to celebrate

I want the whole world to celebrate

I'm not mad at you at all

But, I want the whole world to celebrate

...

Right about now it's time for everybody to stand up

Stand up

Stand up

And have fun

'Cause we just begun

I want the whole world to celebrate

Let's go

Once again if I feel better

Then I pull myself together

I remember those two letters

It will be okay

Everyone says now or never

I say only if it's better

Be a night like this forever

I wanna go home

I wanna go home

I wanna go home

I wanna go home and celebrate

I'll get the whole world to celebrate

I (10)\_\_\_\_\_ the whole world to celebrate

I want the whole world to celebrate

## Fill in the gaps
