## Islands (Live) by Mike Oldfield & Bonnie Tyler

Islands	I was lost in the forest
From the first time we saw	And you showed me the way
We could (1) for this moment	When the night's on fire
Like rocks on the shore	(Oh) Will you keep the candlelight burning
We can never	Hold on to (6) heart's desire
Be closer somehow	When you see one bird
For the moment that lasts	Into the wind another one's turning
Is this moment now	And the two can fly much higher (higher)
When the night's on fire	We are islands but never too far
(Oh) Will you keep the candlelight burning	We are islands
Hold on to your heart's desire	And I need your light tonight
When you see one bird	And I need your light tonight
Into the wind (2) one's turning	We are islands but never too far
And the two can fly much higher (higher)	We are islands
We are (3) but never too far	And I need your (7) tonight
We are islands	And I need your (8) tonight
And I need your light tonight	We are islands but (9) too fail
And I need your light tonight	We are islands
We are islands but never too far	And I need your light tonight
We are islands	And I need your (10) tonight
And I (4) (5) light tonight	We are islands but never too far
And I need your light tonight	We are islands
Islands	And I need your light tonight
Never been to before	And I need your light tonight
And we climb so high	We are islands but never too far
To where the wild birds soar	We are islands
There's a new path	
That we found just today
