Islands (Live) by Mike Oldfield & Bonnie Tyler

Islands	I was lost in the forest
From the first (1) we saw	And you showed me the way
We could wait for this moment	When the night's on fire
Like rocks on the shore	(Oh) Will you keep the candlelight burning
We can never	Hold on to your heart's desire
Be closer somehow	When you see one bird
For the moment that lasts	Into the wind (6) one's turning
Is this moment now	And the two can fly much higher (higher)
When the night's on fire	We are islands but never too far
(Oh) Will you keep the candlelight burning	We are islands
Hold on to your heart's desire	And I need your light tonight
When you see one bird	And I need your light tonight
Into the wind another one's turning	We are islands but never too far
And the two can fly (2) higher (higher)	We are islands
We are islands but never too far	And I need your (7) tonight
We are islands	And I need your light tonight
And I need your (3) tonight	We are islands but (8) too far
And I need your light tonight	We are islands
We are islands but never too far	And I need (9) light tonight
We are islands	And I need your light tonight
And I need your light tonight	We are islands but never too far
And I need (4) light tonight	We are islands
Islands	And I need your light tonight
Never (5) to before	And I need your (10) tonight
And we climb so high	We are islands but never too far
To where the wild birds soar	We are islands
There's a new path	
That we found just today
