These words are my own

Fill in the gaps

These Words by Natasha Bedingfield

These words are my own	From my heart flown
Threw some chords together	I love you, I love you, I love you, I love you
The combination D-E-F	There's no other way
Is who I am, is what I do	To better say
No one's gonna let it down for you	I love you, I love you
I try to focus my attention	I'm (7) off my stage
But I feel so A-D-D	The curtains pull away
I need some help, some inspiration	No hyper bowl to hide behind
But (1) not coming easily (Uh oh)	My naked soul exposes
Trying to find the magic (Uh oh)	
Trying to write a classic (Uh oh)	(Uh oh) Trying to find the magic (Uh oh)
Don't you know, (2) you know, don't you	Trying to write a classic (Uh oh)
know (Uh oh)	Waste bin full of paper (Uh oh)
Waste bin full of paper (uh oh)	Clever rhymes, see you later
Clever rhymes, see you later	These words are my own
These (3) are my own	From my heart flown (don't you know)
From my heart flown	I love you, I love you, I love you, I love you
I love you, I love you, I love you, I love you	There's no other way
There's no other way	To (8) say
To better say	I love you, I love you, I love you
I love you, I love you	These words are my own
Read some Byron, Shelly and Keats	From my heart flown
Resided in over a Hip hop beat	I love you, I (9) you, I love you, I love you
I'm (4) trouble saying what I mean	There's no other way
With dead poets and drum machines	To (10) say
You know I had some studio time booked	I love you, I love you, I love you
But I couldn't find a killer hook	These words are my own
Now you're gonna raise the bar right up	They're from my heart
Nothing I write is ever good (enough)	I love you, I love you
These words are my own	That's all I've got to say
From my heart flown	Can't think of a better way
I love you, I (5) you, I (6) you, I love you	That's all I've got to say
There's no other way	I love you is that ok
To better say	
I love you. I love you	

1. it's

- 2. don't
- 3. words
- 4. having
- 5. love
- 6. love
- 7. getting
- 8. better
- 9. love
- 10. better
