Fill in the gaps

5 Years Time by Noah and the Whale

Well in five years time we could be walking round the zoo	And It'll be love, love, love, all over her face
Nith the sun shining down over me and you	And love, love, love, all over mine
And there'll be love in the bodies of the elephant's too	And though merely all (5) moments
Il put my hands over your eyes, but you peek through	Are just in my head
And there'll be sun, sun, sun	I'll be thinking about them as I'm lying in bed
All over our bodies, and sun, sun, sun	And I (6) that it merely, they (7) not
All down our necks there'll be sun, sun, sun	even come true
All over our faces and sun, sun, sun	But in my mind I'm having a (8) good time
So, (1) the heck	with you
cause I'll be laughing at your silly little jokes	Oh in five years time
And we'll be laughing about how we used to smoke	I (9) not know you
All (2) stupid little cigarretes and	In five years time
3) stupid wine	We might not speak
Cause it's what we needed to have a good time	In five years time
But it was fun, fun, fun	We might not get along
When we were drinking, it was fun, fun, fun	In five years time
When we were drunk and it was fun, fun, fun	You might just prove me wrong
When we were laughing, it was fun, fun, fun	Oh there'll be love, love, love
Dh, it was fun	Wherever you go there'll be love, love, love
Dh, well I'll look at you and say	Wherever you go there'll be love, love, love
t's the happiest that I've ever been	Wherever you go there'll be love, love, love
And I'll say I no longer feel, I have to be James Dean	Wherever you go there'll be love, love, love
And she'll say, yeah well I feel all pretty happy too	Wherever you go there'll be love, love, love
And I'm always pretty happy	Wherever you go there'll be love, love, love
When I'm (4) kicking back with you	Wherever you go there'll be love, love, love
And it'll be love, love, love, all through our bodies	Wherever you go there'll be love
And love love love all through our minds	

- 1. what
- 2. those
- 3. drink
- 4. just
- 5. these
- 6. know
- 7. might
- 8. pretty
- 9. might
