

And love, love, love, all through our minds

Fill in the gaps

5 Years Time by Noah and the Whale

Well in five years time we could be walking round the zoo	And it'll be love, love, love, all (7) her face
With the sun shining down (1) me and you	And love, love, all over mine
And there'll be (2) in the bodies of the elephant's	And though merely all these moments
too	Are just in my head
I'll put my hands over your eyes, but you peek through	I'll be thinking (8) them as I'm lying in bed
And there'll be sun, sun, sun	And I know that it merely, they might not even come true
All over our bodies, and sun, sun, sun	But in my mind I'm having a pretty (9) time with
All (3) our necks there'll be sun, sun, sun	you
All over our faces and sun, sun, sun	Oh in five years time
So, what the heck	I might not know you
cause I'll be laughing at your silly little jokes	In five years time
And we'll be laughing about how we used to smoke	We might not speak
All those stupid little (4) and drink	In (10) years time
stupid wine	We might not get along
'Cause it's what we needed to have a good time	In five years time
But it was fun, fun	You might just prove me wrong
When we were drinking, it was fun, fun, fun	Oh there'll be love, love
When we were drunk and it was fun, fun, fun	Wherever you go there'll be love, love, love
When we were laughing, it was fun, fun, fun	Wherever you go there'll be love, love, love
Oh, it was fun	Wherever you go there'll be love, love, love
Oh, well I'll look at you and say	Wherever you go there'll be love, love, love
It's the happiest that I've ever been	Wherever you go there'll be love, love, love
And I'll say I no longer feel, I have to be James Dean	Wherever you go there'll be love, love, love
And she'll say, yeah (5) I feel all pretty happy too	Wherever you go there'll be love, love, love
And I'm always pretty happy	Wherever you go there'll be love
When I'm just kicking back (6) you	
And it'll be love love love all through our hodies	

- 1. over
- 2. love
- 3. down
- 4. cigarretes
- 5. well
- 6. with
- 7. over
- 8. about
- 9. good
- 10. five
