

When I'm just kicking back with you

And it'll be love, love, love, all through our bodies

And love, love, love, all through our minds

5 Years Time by Noah and the Whale

Well in five years time we could be walking round the zoo		And it'll be love, love, love, all over her face
With the sun shining (1) over me and you		And love, love, love, all over mine
And there'll be love in the bodies of the elephant's too		And though merely all these moments
I'll put my (2) over your eyes, I	but you peek	Are (9) in my head
through		I'll be thinking about them as I'm lying in bed
And there'll be sun, sun, sun		And I know that it merely, they might not even come true
All (3) our bodies, and sun, sun, sun		But in my mind I'm having a pretty good time with you
All down our necks (4)	be sun, sun,	Oh in five years time
sun		I (10) not know you
All over our faces and sun, sun, sun		In five years time
So, (5) the heck		We might not speak
'cause I'll be laughing at your silly (6)	jokes	In five years time
And we'll be (7) about how we used to		We might not get along
smoke		In five years time
All those stupid (8) cigarretes and drink stupid		You might just prove me wrong
wine		Oh there'll be love, love, love
'Cause it's what we needed to have a good time		Wherever you go there'll be love, love, love
But it was fun, fun, fun		Wherever you go there'll be love, love, love
When we were drinking, it was fun, fun, fun		Wherever you go there'll be love, love, love
When we were drunk and it was fun, fun, fun		Wherever you go there'll be love, love, love
When we were laughing, it was fun, fun, fun		Wherever you go there'll be love, love, love
Oh, it was fun		Wherever you go there'll be love, love, love
Oh, well I'll look at you and say		Wherever you go there'll be love, love, love
It's the happiest that I've ever been		Wherever you go there'll be love
And I'll say I no longer feel, I have to be James Dean		
And she'll say, yeah well I feel all pretty happy too		
And I'm always pretty happy
