

Fill in the gaps

And I'm alright	All o
Standing in the streetlights here	They
Is this (1) for me	And
My (2) on the outside is over	You
We don't know how you're spending	And
All of your (3) knowing	You
That (4) isn't here	And
You see the pictures	You
But you don't know (5) names	Ther
'Cause love isn't here	That
And I can't do (6) by myself	You
All of these problems	Ther
They're all in your head	That
And I can't be (7) else	And
You took something perfect	All o
And painted it red	They
No sympathy	And
When shouting out is all you know	You
Behind your lies	And
I can see the (8) you don't show	Red
And we don't (9) how you're spending	And
All of (10) days knowing	Red
That love isn't here	And
You see the pictures	You
But you don't know their names	And
'Cause (11) isn't here	
I can't do this by myself	

All of (12) problems
They're all in (13) head
And I can't be somebody else
You (14) something perfect
And (15) it red
You took something perfect
And painted it red
You (16) the best things from me
Then everything (17) empty
That's not a world (18) I need
You (19) the (20) things from me
Then (21) empty
That's not a world (23) I need
And I can't do this by myself
All of (24) problems
They're all in your head
And I can't be somebody else
You (25) something perfect
And painted it red
Red, you took something perfect
And (26) it red
Red, you took something perfect
And (27) it red
You (28) something perfect
And painted it red
