Red by Daniel Merriweather

And I'm alright

Standing in the streetlights here

Is this meant for me

My time on the outside is over

We don't know how you're spending

All of your days knowing

That love isn't here

You see the pictures

But you don't know their names

'Cause (1)_____ isn't here

And I can't do this by myself

All of these problems

They're all in your head

And I can't be somebody else

You took something perfect

And painted it red

No sympathy

When shouting out is all you know

Behind your lies

I can see the secrets you don't show

And we don't know how you're spending

All of your days knowing

That love isn't here

You see the pictures

But you don't know their names

'Cause (2)_____ isn't here

I can't do this by myself

All of these problems

They're all in your head

And I can't be somebody else

You took (3)_____ perfect

And painted it red

You took (4)_____ perfect

And painted it red

You take the best things from me

Then everything (5)_____ empty

That's not a world that I need

You take the best things from me

Then (6)_____ gets empty

That's not a world that I need

And I can't do this by myself

All of these problems

They're all in your head

And I can't be (7)_____ else

You took something perfect

And painted it red

Red, you took something perfect

And painted it red

Red, you took something perfect

And painted it red

You took something perfect

And painted it red
