

There was a new girl in town

She made her way to the bar

(She seemed so far)

I'm falling in love
But it's falling apart

I tried to talk to her but she seemed so far

Out of my league (out of my league)

I had to find a way to get her next to me

She had it all figured out (had it all figured out)

Well I'll state something rash

She had the most amazing smile

I bet you didn't expect that

She made me (1)______ my ways

(She made me (2)_____ my ways)

With eyes (3)_____ the sunsets, baby

And legs that went on for days

I'm falling in love

But it's falling apart

I need to find my way (4)_____ to the start

When we were in love

Oh, things (5)_____ better than they are

Let me back into, into your arms

(Into your arms)

Fill in the gaps
