

Fill in the gaps

Get a load of me, get a load of you	It's inevitable
Walkin' down the street, and I hardly know you	It's a fact that we're gonna get down to it
It's just like we were meant to be	So tell me
Holding (1) with you when we're out at night	Why can't I breathe whenever I (5)
Got a girlfriend, you say it isn't right	(6) you
And I've got someone waiting too	High enough for you to make me wonder
What if this is just the beginning	Where it's goin'
We're already wet, and we're gonna go swimming	High enough for you to (7) me under
Why can't I breathe (2) I think about you	Somethin's growin'
Why can't I speak whenever I talk about you	Out of this that we can control
It's inevitable	Baby I am dyin'
It's a fact that we're gonna get down to it	Why can't I breathe whenever I think about you
So tell me	Why can't I speak whenever I talk about you
Why can't I breathe whenever I think about you	Why can't I (8) whenever I think about you
Isn't this the best part of breakin' up	Why can't I speak whenever I talk (9) you
Finding someone else you can't get (3) of	It's inevitable
Someone who wants to be with you too	It's a fact that we're gonna get down to it
It's an itch we (4) we are gonna scratch	So tell me
Gonna take a while for this egg to hatch	Why can't I breathe whenever I think about you
But wouldn't it be beautiful	Whenever I (10) about you
Here we go, we're at the beginning	Whenever I think about you
We haven't ***** yet, but my heads spinning	Whenever I think about you
Why can't I breathe whenever I think about you	Whenever I think about you
Why can't I speak whenever I talk about you
