

And you can't breathe

Fill in the gaps

There you stand opened heart, (1) doors	May I love you, may I be (14) shield
Full of life with the (2) that's wanting more	When no one can be found
But I can see when the lights start to fade	May I lay you down
The day is done and your (3) has (4)	All that's made me (made me)
away	Is all worth (15) (worth trading)
Let me raise you up	Just to have one (16) with you
Let me be your love	So I (17) let go (will let go)
May I (5) you as you (6) to sleep	All that I (18) (that I know)
When the world is closing in	Knowing that you're (19) (20) me
And you can't breathe	For your (21) is (22) me
May I (7) you, may I be your shield?	May I (23) you as you (24) to sleep
When no one can be found	When the world is (25) in
May I lay you down	And you can't breathe
All I want is to keep you (8) from the cold	May I love you, may I be your shield
To (9) you all (10) (11)	When no one can be found
(12) needs the most	May I lay you down
Let me raise you up	
Let me be your love	
May I hold you as you fall to sleep	
When the (13) is closing in
