There you stand opened heart, opened doors	
Full of life (1) the world that's wanting more	
But I can see when the lights start to fade	
The day is done and your smile has gone away	
Let me raise you up	
Let me be your love	
May I hold you as you (2) to sleep	
When the world is closing in	
And you can't breathe	
May I love you, may I be your shield?	
When no one can be found	
May I lay you down	
All I want is to keep you safe from the cold	
To (3) you all that your heart needs the most	
Let me (4) you up	
Let me be your love	
May I hold you as you fall to sleep	
When the world is closing in	
And you can't breathe	

May I love you, may I be your shield	
When no one can be found	
May I lay you down	
All that's made me (made me)	
Is all worth (5)	(worth trading)
Just to (6) one momen	nt with you
So I (7) let go (will let	go)
All that I know (that I know)	
Knowing (8) you're he	re with me
For your love is changing me	
May I hold you as you (9)	to sleep
When the world is closing in	
And you can't breathe	
May I love you, may I be your shield	
When no one can be found	
May I lay you down
