Feels like you (1) a mistake	Feel uneasy, baby
You made somebody's heart break	I can't live without you, tell me
But now I have to let you go	What I am supposed to do (4) it
I have to let you go	Keep your distance from it, don't pay no attention to me
You left a stain	I got a disease, and well, I think that I'm sick
On every one of my good days	But leave me be while my world is (5) down
But I am stronger than you know	on me
I have to let you go	You taste like honey, honey, tell me can I be your honey
No one's ever turned you over	Be, be strong, keep telling (6) it (7)
No one's tried	won't take long till
To ever let you down	I'm free of my disease
