You Make Me Wanna... by Usher

This is what you do, this is what you do	Start a new relationship with you, this is what you do
This is what you do, this is what (you do)	I think (6) her and all the things
You make me wanna (1) the one I'm with	That come along with you make me (you make me)
Start a new relationship with you, this is what you do	You make me (7) leave the one I'm with
I think about her and all the things	Start a new relationship with you, (8) is what you
That come along (2) you make me (you make me)	do
You make me wanna leave the one I'm with	I think about her and all the things
Start a new relationship with you, this is what you do	That come along with you make me
I think about her and all the things	You make me
That come along with you make me (you make me)	At this point
Before anything began between us	The situation's out of control
You were like my best friend	I never meant to hurt her but I
The one I used to run and talk to	Gotta let her go
When me and my girl was having problems	And she may not understand it
You used to say it'll be OK	While all of this is going on
Suggest little nice things I should do	I tried, I tried to fight it
And when I go home at night and lay my head down	But the feeling's just too strong
The last thing I think about was you	You make me, make me
And how you make me wanna leave the one I'm with	You make me wanna
Start a new (3) with you, this is	You make me wanna
what you do	(You (9) me, make me)
I think about her and all the things	You make me wanna
That come along with you make me (you make me)	You make me wanna
You make me wanna leave the one I'm with	(Go baby, go baby)
Start a new relationship with you, this is what you do	You make me wanna
I think about her and all the things	You make me wanna
That come along with you make me (you make me)	Come along with, you're making me
Now what's bad is you're the one that hooked us up	You make me wanna leave the one I'm with
Knowing it should've been you	Start a new relationship with you, this is what you do
What's sad is that I love her but I'm (4) for	I think about her and all the things
you	That come along with you make me
What should I do, (5) I	You make me
Tell my baby bye bye, should I	
Do exactly what I feel inside, 'cause I	
I don't wanna go, don't need to stay	
But I really need to get it together
