

Fill in the gaps

I went out last night	And your dancing to where I am
I'm going out tonight again	We're taking it way too far
Anything to (1) (2) attention	But I don't want it to end
(Your attention)	This kiss is something I can't resist
And she's a real sweet girl	Your lips are undeniable
And you know I got a boy	This kiss is something I can't risk
Details we both forgot to mention	Your heart is unreliable
(Forgot to mention)	Something so sentimental
And you, I always know (3) you are	You make so detrimental
And you always know where I am	And I wish it didn't (8) like this
We're taking it way too far	'Cause I don't wanna miss this kiss
But I don't (4) it to end	But if you ask me to
This kiss is something I can't resist	I couldn't, I couldn't, I
Your lips are undeniable	You're leaning closer and
This kiss is something I can't risk	I shouldn't, I shouldn't, I
Your heart is unreliable	But if you ask me to
Something so sentimental	I couldn't, I couldn't, I
You make so detrimental	I shouldn't, I shouldn't
And I wish it didn't feel (5) this	I don't wanna miss this kiss
'Cause I don't wanna miss (6) kiss	This (9) is something I can't resist
I don't wanna miss this kiss	Your lips are undeniable
You know you're just my type	This kiss is something I can't risk
And your eyes are lock and key	Your heart is unreliable
To my heart	Something so sentimental
Tempting my confession	You make so detrimental
(My confession)	And I wish it didn't feel like this
And you're a real hot thing	'Cause I don't wanna miss this kiss
But you (7) I've got a boy somewhere	I wish it didn't feel like this
So can you feel the tension?	I don't wanna miss (10) kiss
(Feel the tension)	
And you, I'm dancing to where you are	

1. capture
